BUILT FOR TODAY'S SHUL

# Your shul, beyond its walls.

JLife helps synagogues meet the moment, with tools your members already carry in their pockets.

### Community, wherever they are

THE POWER OF RELATIONAL JUDAISM

# Every relationship, every day.

Membership, participation and giving are all built on relationships. JLife helps your shul strengthen them every day, not just on holidays or special occasions.

By putting Jewish content in the palm of people's hands, **your shul shows it cares, and builds community wherever members are.** Whether it's a sermon, a song or an invitation, the message is clear.
